HOW TO SHIELD A SCHOOL WITH PRAYER?

We want to ask every church and prayer ministry do its part and make a commitment to “Shield a School with Prayer” in your community. If every school would be shielded by strategic intercession on a daily basis, we will surely see changes in our schools!

- 1. Identify a school in your community** to Shield with Prayer; and commit for 1 year.
- 2. Connect with a school representative** in your chosen school. Their only responsibility would be to share prayer requests and needs; and serve as a liaison with your church/prayer ministry (As needed, iPray on Campus will help you connect with a school representative- please contact us)
- 3. Register your church in the Shield a School with Prayer** - <http://gideonsarmy.cc/ipray/registration>. Registration will help us track the scope and location of prayer covering in our local schools. Like the Facebook page, iPrayonCampus, for information on how to lead a prayer and join others in the city praying.
- 4. Create a prayer wall or prayer altar** somewhere in your church; where school name, staff, student groups, prayer requests could be posted and prayed for.
- 5. Encourage your students to pray on campus** 5 minutes a day, every day. (See www.iprayoncampus.org) on how to pray.
