How to Launch Student and School Prayer

Thank you for joining us in the iPray on Campus prayer initiative! We want to encourage you, your family, church or prayer ministry do its part and make a commitment to “iPray on Campus” in your community. If every school would be shielded by strategic intercession on a daily basis we will surely see changes in our schools!

Below are a few suggestions on ways to pray strategically for the school of your choice.

1. **Identify a school in your community** to and commit for 1 year to pray.
2. **Connect with a school representative** in your chosen school. Their only responsibility would be to share prayer requests and needs; and serve as a liaison with your church/prayer ministry.
3. **Register your group with Gideon’s Army Prayer** - <http://gideonsarmy.cc/ipray/registration>. Registration will help us track the scope and location of prayer covering in our local schools. Like the Facebook page, iPrayonCampus, for prayer guides, updates and join others in the city praying.
4. **Create a prayer wall or prayer altar** somewhere in your home or church; where school name, staff, student groups, prayer requests could be posted and prayed for.
5. Encourage **students to pray on campus** at least one day/week. The **iPrayonCampus app** can be downloaded for FREE with student prayer guides. www.iprayoncampus.org has student guidelines for praying on a school campus.

iPray on campus

iPray on Campus is a prayer movement with a mandate for youths to start prayer cells on their campuses. iPray events gather city leaders and stir up adults and youth to raise up intercession for schools, communities and the nation.
